EUROGLASS CONCEALED FACE FIX BALUSTRADE SYSTEM

Euroglass Australia is excited to introduce the latest system for face fixing of frameless glass internal & external balustrade as well as pool fencing.

- Side fixing means no waterproof membrane is broken in the installation
- Able to be fixed to steel, timber or concrete slabs as thin as 150mm
- Easy installation and simple adjustment
- Streamlined and elegant, perfectly suited to both the minimalistic aspect of modern architectural as well as a discreet addition to traditional style homes
- Available in Mill (stock), Anodised and Powdercoat finishes
- Suitable for high wind areas
